

User Stories

As a new user, I want to create an account using my email address to personalize my experience and access all app features.

As a registered user, I want to log in to my account so that I can access my personalized settings and keep track of my participation and rewards.

As a user, I want to view a list of upcoming sustainability activities in my region, filtered by type, date, and location, so that I can participate in events that align with my interests.

As a user, I want to receive notifications on upcoming sustainability activities in my region, so that I know what is happening around me.

As a user, I want to receive rewards for participating in sustainability activities so that I am motivated to contribute more to the community.

As a user, I want to set a distance range for activity notifications so that I can participate in local events without extensive travel.

As a user, I want to be part of a ranking system based on points from activity participation so that I can see my contributions in comparison to others.

As a user, I want to receive incentives and rewards for high participation points to recognize and reward my efforts.

As a user, I want to connect with others to discuss sustainability so that we can share ideas and organize activities together.

As a user, I want to receive tips for living sustainably so that I can make environmentally friendly choices in my daily life.

As a user, I want to create posts about my sustainability activities so that I can share my experiences and inspire others to participate.

As a user, I want to customize my notification settings by type of activity and location so that I receive alerts that are most relevant to me.

As a registered user, I want to edit my profile to update my interests and location settings so that the activities and notifications I receive are always relevant.

As a user, I want to reset my password if I forget it so that I can regain access to my account without losing my preferences and data.

As a user, I want to opt-in for email notifications about general sustainability news so that I stay informed on broader topics beyond local activities.

As a user, I want to deactivate or delete my account so that my data is removed from the app for my privacy.

As a user, I want to report issues or bugs within the app so that I can contribute to its improvement and ensure a better experience for all users.

As a registered user, I want to receive a welcome email upon signing up so that I can get an overview of how to get started and make the most of the app.

As a user, I want to save my favorite activities and posts for later so that I can easily access the events and information that interest me most.

As a user, I want to search for specific sustainability activities or topics within the app so that I can quickly find what I'm looking for.

As a user, I want to customize my privacy settings so that I have control over who sees my activity and posts.

As a user, I want to receive a monthly newsletter summarizing my contributions, upcoming events, and tips to stay engaged and informed about sustainability efforts.
